Thanks to all the marshals, the timekeepers, other helpers and to all the riders. The event would not have been possible without you. It was a tough day out there, with lots of reports of slipping wheels, cross-winds and poor visibility. Particular thanks must go to the marshals who got much colder and wetter than us riders. We will be running the event again next year on the same weekend so please come back and encourage your club-mates, we would like to make this a classic hill climb event. Check out <https://www.facebook.com/events/170324143157103/> where I'll put links to any photos that I see – please feel free to do the same.

Thanks very much to Mamnick <http://www.facebook.com/mamnickclothing> for donating the pin badges for the fastest riders, and to La Bicicleta for being very generous in providing the spot prizes (<http://www.labicicleta.co.uk/>).

Lastly, sorry to Stewart Gregory, who I announced as 2nd Vet after taking Darren Otter out due to the “one rider, one prize” rule. Stewart was actually the 2nd Vet even including Darren, so should have won the Vets prize in the absence of Darren.
